COLLEGE PROF. LOST AND FOUND

A hidden trail and a dark night were the two chief causes of Professor J. S. Donaghho of the College of Hawaii being lost for five hours last night in the Waolani valley, during which time searching parties were scouring the surrounding ridges and valleys in their effort to find him, and which resulted in his arriving home at 11 o'clock little the worse for his experience.

Yesterday afternoon Professor Donaghho went up the valley for a hike, and on his wat home he reached the Lanihuli ridge at about 6 o'clock in the evening and came to the house near the upper end of the valley. He thought that from that point it would take him about three hours to arrive at his home if he took the old trail, and so he started out once more. Parkness soon settled over the valley and although Mr. Donaghho had gone over the trail many times before in the daytime, he soon lost it, due to the fact that it was partly overgrown with lantana and ferns.

He then left the trail and tried to follow the stream, but the going was so rough that he finally decided that at the rate he was going it would take him all night to get home.

He left the bcd of the stream and climbed up the ridge on the right and after hunting around for a short time finally came upon the Alewa heights Following this, he arrived home just in time to be informed that a number of searching parties had gone out in search of him a few minutes be-In speaking about the matter afternoon Professor Donaghho said that he knows the old trail about as well as anybody could, and that he once went over it in the middle of the night, but the cause of his being lost for the short time was due to the fact that the trail was almost completely covered over by foliage, and that it could not be seen for any distance no matter how bright the night might

FIGHT FOR THURSTON. (Continued from page 1.)

accompanying it there has been filed with Mayor Fern a strong petition that Thurston be named again. The petition is signed by an overwhelming number of businessmen.

The board of supervisors, it was reported this morning, is divided and there may be three members who will oppose Thurston. The board will caucus tonight and probably settle the Thurston matter then.

Thurston matter then.
Chief Thurston has been strongly indorsed by the board of fire underwriters and business men generally on the basis of merit, and when the report came out this morning that the mayor and some of the supervisors are lukewarm on reappointing him, business men prepared to take some definite action to indicate their indignation at seeing political favoritism injected into the fire depart.

Chief Thurston had nothing whatever to do with the petition, which came out entirely from busines men and interests and is non-partisan. His formal application made to the mayor this morning was not made in connection with the petition, which was presented through the signers.

C. Q. Yee Hop & Co. will be closed all day New Year's and request their patrons to send their orders early as their last delivery will be made at 3 o clock Tuesday afternoon.

Members of the Pearl of the Orient Rizal Society, a patriotic Filipino organization, will hold patriotic exercises at Odd Fellows' hall. Fort street, at 6:30 o'clock tonight. Baby's

WILLIAM DUNN DIES.

William Dunn, an old resident of Hawali, died at Honomu, Hawali, December 29, at the age of 76 years. He was born in Manchester, England. The widow, a son and a daughter, Mrs. R. A. Woodward, survive him. The remains were brought to Honolulu on the Wilhelmina. Notice of the funeral will be given later.

Young Man

You must wear clothing during 1913 as was customary during 1912. Our stock has not been depleted in the least by the heavy trade of the last few weeks. Our goods keep coming right along.

Many a young man gets a benefit from good clothes that's much greater than the cost of them. We're working along that idea every day in the year and have produced in Honolulu for young men the styles and models that will give them the greatest measure of smart fashion, with the highest degree of quality-value, and without going to such style extremes as to undo the good that such clothes can do.

Youthful models, youthful colors and patterns, youthful weaves; designed and cut by special young men's experts; sizes for the big, brawny football athlete or for the small and lively "rooter."
